

RESTRICTIONS ON SALE OF FOODS

Any food or beverage sold during the normal day on school property of a school participating in the National School Lunch or School Breakfast Programs shall be a planned part of the total food service program of the school, and shall include only those items which contribute both to the nutritional needs of students and the development of desirable food habits. Funds from all food and beverage sales during the normal school day on school property shall accrue to the benefit of the school's non-profit school food service program, except that the Biddeford School Committee may establish, by policy, a process whereby a school or approved student organization is allowed to benefit from the sale of such foods and beverages.
