

NETWORK ETIQUETTE

The user is expected to abide by the generally accepted rules of network etiquette. These include but are not limited to the following.

- A. Be polite. Do not become abusive in messages to others.
- B. Use appropriate language. Do not swear or use vulgarities or any other inappropriate language.
- C. Do not reveal the personal addresses or telephone numbers of students.
- D. Recognize that electronic mail (E-mail) is not private. People who operate the system have access to all mail. Messages relating to or in support of illegal activities may be reported to the authorities.
- E. Do not use the network in any way that would disrupt its use by other users.
- F. Consider all communications and information accessible via the network to be private property.
