

BIDDEFORD SCHOOL DEPARTMENT WEB SITE

The Biddeford School Department maintains an official web site to provide general information about our school system as well as information about educational programs, extracurricular activities and school events. This web site is intended to support the educational mission of the schools, to enhance the curriculum and learning opportunities for students and staff, and to inform the larger community about our schools. The web site does not create, nor is it intended to create, a public or limited public forum.

The School Committee has adopted guidelines to ensure that the Biddeford School Department's web site is in compliance with applicable laws and meets the highest educational and quality standards. The Superintendent is responsible for implementing this policy, the accompanying guidelines and any additional administrative procedures that may be needed to govern the day-to-day management of the web site. The Superintendent may delegate specific responsibilities to the Technology Coordinator or Assistant Superintendent as he/she deems appropriate.
